

CAMPING INFORMATION

A limited number of rustic campsites (no electrical or water service) will be available on a first-come, first-served basis. Entry to the campground is located at 1590 'S' Drive South, Fulton, MI 49052. The campground area is adjacent to the NHBP Pine Creek Reservation with a short walking trail to shower/bathroom facilities and the NHBP Pow Wow Grounds.

All persons intending to camp during the event are required to register and acquire a camping permit (no cost) and must adhere to the general rules stated below and included in the camping permit. A camp ranger or other NHBP staff will be stationed at the campground during regular business hours and evenings during the week of the event.

A 'Camping Permit Application' must be completed by a 'Permit Holder' and include all individuals who will reside at the campsite; permit applications may be acquired at the camp ranger station upon arrival

Individual campsites are marked and will accommodate two (2) large tents, fire ring, and picnic table (limited availability); Recreational Vehicle (RV) and trailer campers may park at larger designated sites only, at the discretion of the camp ranger. Automobiles may access the campsites to deliver equipment and goods only – camper parking (overnight and event) will be available in the immediate vicinity of the camping area

Campfires are allowed at individual sites, so long as the fire is maintained inside the 'fire ring' provided at the site and continually monitored. Note: The camp manager/ranger may prohibit campfires if seasonal-weather or other local conditions are not favorable to recreational fires, etc.

Campers ('Permit Holder') are responsible for maintaining the campsite in a clean and orderly fashion

Campers ('Permit Holder') are responsible for maintaining a quiet and peaceful campsite. ** No electrical service is available at the campground area. Camp generators may be operated temporarily during the day, but will not be allowed after dusk **

THE USE OF ALCOHOL AND DRUGS IS PROHIBITED

THE POSSESSION OF FIREARMS IS PROHIBITED
